The Council presents its report and the financial statements for the year ended 31 December 2014. The Teaching Council (An Chomhairle Mhúinteoireachta) was established on a statutory basis on 28 March 2006 in accordance with the Teaching Council Act, 2001.

Principal Activity and Review of the Business

The principal activity of the Teaching Council is to promote teaching as a profession, to promote the professional development of teachers and to regulate standards in the teaching profession.

There has been no significant change in these activities during the year ended 31 December 2014.

Principal Risks and Uncertainties

The Council has assessed the following risks and has taken measures to manage these risks in the Teaching Council as follows:

Staff Resources

The Council has limited staffing resources as it takes on additional functions. Sanction has been received for seven additional posts. In addition, the Council has transferred some of its routine administrative work to an in-sourced managed services arrangement.

Non-commencement of elements of the Teaching Council Act, 2001

Certain sections of the Teaching Council Act 2001 had not been commenced in 2014, restricting the scope of the Council. In particular, Part 5 (Fitness to Teach) and Section 39 (CPD) had not been commenced. The Minister for Education and Skills has indicated that she will commence Part 5 in 2015.

Results

The surplus for the year after providing for depreciation and taxation amounted to $\notin 1,218,911$ (2013: $\notin 1,477,743$). When the additional functions of the Teaching Council (referred to in the previous paragraph) are commenced the annual expenditure of the Council will increase significantly.

Future Developments

The Council plans to continue its present activities. The Minister for Education and Skills has indicated that she intends to commence Part 5 of the Teaching Council Act (Fitness to Teach in 2015.

Books of Account

The Council is responsible under Section 18 of the Teaching Council Act, 2001, for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the organisation. The Council is also responsible for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The books of account of the Teaching Council are maintained at Maynooth Business Campus, Maynooth, Co. Kildare.

Auditors

The auditors, Anne Brady McQuillans DFK, have indicated their willingness to continue in office.

Events after the Balance Sheet Date

There have been no circumstances or events subsequent to the year end, which require adjustment to, or disclosure in, the financial statements or in the notes thereto.

Payment of Creditors

The Council Members acknowledge their responsibility for ensuring compliance with the provisions of the EC (Late Payment) Regulation, 2002. It is the Teaching Council's policy to agree payment terms with all suppliers and to adhere to those payment terms.

On behalf of the Council

Micheál Ó Gríofa Chairperson Tomás Ó Ruairc Director

Statement of Council's Responsibilities for the Financial Statements

The Council is responsible for preparing the Annual Report and the Financial Statements in accordance with applicable Irish law, including Section 18 of the Teaching Council Act, 2001 and Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council).

Irish law including Section 18 (2) of the Teaching Council Act, 2001, requires the Council to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organisation for that year.

In preparing the financial statements, the Council is required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the organisation will continue in business.

The Council confirms that it has complied with the above requirements in preparing the financial statements.

The Council is responsible for keeping proper books of account which disclose with reasonable accuracy at any time, the financial position of the organisation, and enable it to ensure the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish Law including Section 18, of the Teaching Council Act, 2001.

The Council is responsible for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Council is responsible for the maintenance and integrity of the website. Legislation in the Republic of Ireland concerning the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

On behalf of the Council

Micheál Ó Gríofa Chairperson Tomás Ó Ruairc Director

Statement on Internal Financial Control

- 1. On behalf of the Teaching Council, I acknowledge our responsibility for ensuring that an effective system of internal financial control is maintained and operated.
- 2. The system can only provide reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.
- 3. The following procedures have been put in place by the Council and are designed to provide effective internal financial control:

a) an appropriate control environment is ensured by clearly defined management responsibilities and procedures to identify and react to control failures

b) a formal process to identify and evaluate organisational business risks is in place

c) a comprehensive planning and budgetary system is in operation and expenditure trends are reviewed on a monthly basis

d) procedures for addressing the financial implications of major business risks include financial instructions and notes of procedures, delegation practices such as authorisation limits approved by Council and segregation of duties between processing and approval of payments

e) the procedures for monitoring the effectiveness of internal financial control include an internal audit function which operates in accordance with the Code of Practice for the Governance of State Bodies and reports to the Audit Committee.

- 4. The Council's monitoring and review of the system of internal financial control is informed by the work of the management team within the Teaching Council who have responsibility for the development and maintenance of the financial management system, the work of our internal auditors and Audit Committee and comments made by the external auditors in their management letter and reports.
- 5. A formal review of the internal financial controls was undertaken in 2014.

On behalf of Council

Micheál Ó Gríofa Chairperson

Independent Auditors' Report to the Council Members of The Teaching Council

We have audited the financial statements of the Teaching Council for the year ended 31 December 2014 which comprise the Income and Expenditure Account, Balance Sheet, Cash Flow Statement and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies therein.

This report is made to the Council's Members, as a body, in accordance with Section 18 of the Teaching Council Act, 2001. Our audit work has been undertaken so that we might state to the Council's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the Council's members as a body, for our audit work, for this report, or for the opinion we have formed.

Respective Responsibilities of the Council and Auditors

The Council's responsibilities for preparing the Council's report and the financial statements in accordance with applicable Irish law including Section 18 of the Teaching Council Act, 2001, and the accounting standards issued by the Financial Reporting Council (Generally Accepted Accounting Practice in Ireland) are set out in the Statement of Council's Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practice Board's Ethical Standards for Auditors.

Scope of the Audit of the Financial Statements

An audit involves obtaining evidence about amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Council's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Council members; and the overall presentation of the financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. In addition, we read all the financial and non-financial information in the Council Member's report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. In addition, we read all the financial and non-financial information in the Council Member's report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Independent Auditors' Report to the Council Members of The Teaching Council

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the Council's affairs as at 31 December 2014 and of its results for the year then ended; and

- have been properly prepared in accordance with the requirements of Irish Law including Section 18 of the Teaching Council Act, 2001.

We have obtained all the information and explanations we consider necessary for the purposes of our audit. In our opinion proper books of account have been kept by the organisation. The financial statements are in agreement with the books of account.

In our opinion the information given in the Council's report is consistent with the financial statements.

Notes to the Financial Statements for the year ended 31 December 2014

1. Accounting Policies

1.1. Accounting Convention

The financial statements have been prepared in accordance with accounting standards generally accepted in Ireland and Irish statute. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those published by the Financial Reporting Council.

1.2. Income

Income comprises registration and assessment fees received during the year. All income/fees receivable are accounted for on a receipts basis. In 2014 the Council purchased Block A, Maynooth Business Campus and is in receipt of rental income from tenants of the building. This is included under "Other Income" in the Income and Expenditure Account.

1.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at historic cost less accumulated depreciation.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset systematically over its expected useful life, as follows:

Premises	-	2.5% straight line
Fixtures and Fittings	-	10% straight line
Computer Software	-	20% straight line
Computer Equipment	-	33.33% straight line.

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

During the year the Teaching Council purchased a premises, registration was not completed until October, as such depreciation was not charged during the period. Depreciation will commence in 2015 at a rate of 2.5% straight line per annum.

Notes to the Financial Statements for the year ended 31 December 2014

1.4. Investments

Fixed asset investments are stated at cost less provision for impairments in value. Income from financial fixed asset investments, together with any related withholding tax, is recognised in the income and expenditure account in the year in which it is received.

1.5. Pensions

The Council operates a defined benefit pension scheme for its employees. The scheme is based on the Public Service Model and is approved by the Minister for Education and Skills and the Minister for Finance. Pension benefits payable under the scheme are funded by the Exchequer.

In addition, the Council's arrangements have a number of specific characteristics:

- the Council makes an agreed contribution to the Department of Education and Skills;

- the contribution comprises an employee element along with an employer element. In accordance with government policy on public sector pensions, the employer's contribution amounts to 25% of gross pay for employees paying PRSI at the A rate and 30% of gross pay for employees paying PRSI at the D rate;

- there is an explicit commitment from the Department of Education and Skills with the agreement of the Department of Finance that the Exchequer will meet the cost of benefits as they fall due.

The Council considers that its pension arrangements as described above have the same financial effect from the Council's point of view as a defined contribution scheme. It is of the view that the provisions of FRS 17, Accounting for Retirement Benefits, which arise under defined benefit schemes are not appropriate to its circumstances. Accordingly, it accounts for its contribution as if the scheme was a defined contribution scheme.

1.6. Taxation

The yearly charge for taxation is based on passive income for the year and is calculated with reference to the tax rate applying on the balance sheet date.

1.7. Designated Reserves

The Council has determined that it may, at its discretion, set aside unrestricted funds for designated future purposes. Where such funds are no longer required for the intended purpose, they will be released to the General Reserve.
